    7.1.3 The OPTIMIST NATIONS CUP (NC).

7.2 For the ISAM:
    7.2.1 Entries may be divided into fleets to sail a qualifying series followed by a final series.
    7.2.2 The qualifying series will take place on the first 3 days of racing. However, if 5 races of a qualifying series have not been completed by the end of the third scheduled racing day, then the qualifying series will continue until the end of the racing day in which a fifth qualifying race is completed.
    7.2.3 A qualifying series race will not count until all qualifying series fleets have completed that race.

7.3 For the Team Racing Events:
    7.3.1 The event is organised for a maximum of 16 teams from members represented by at least 4 competitors. Each team shall comprise of 4 or 5 competitors of which 4 may sail in each race. Composition of teams is at the discretion of the member. If there are more than 16 eligible teams and the host member does not qualify a team, it will replace the last qualified team.
    7.3.2 For the selection of the teams as well as for the seeding, the Race Committee will calculate ‘Total scores’ per group of 4 competitors per member, as explained below: After the first 5 races sailed in the ISAM (or the number of races sailed until April 27 inclusive, if fewer than 5) the total points of the 4 competitors with the best cumulative results from each member will be added to give a total score for each member. For members with more than 4 competitors: The total points of the following 4 competitors with the best cumulative results will be added to give a total score for the second team of the member and so on.
    7.3.3 For the team racing events, each country may enter one or more teams comprised of four sailors, to a maximum of three teams. No member may enter more than three teams.
    7.3.4 No member will be allowed to enter more than one team in the team racing championships (to participate in the same championship or in both) unless a suitable umpire for the TRSAM or the NC is made available (if required), and the name given to the organizers at registration during the Official Arrival Day.
    7.3.5 The seeding for the TRSAM and NC will be based on the total scores mentioned in
The 2017 Optimist South American Championship  
Encarnacion, Paraguay  
April 24 – May 1

7.3.2. The format of the championship will be described in the relevant Sailing Instructions.

7.3.6 The position in the grid of each team will be based on each team’s total points, which will be the result of adding the points (on the first 5 races or the number of races until April 27 (if fewer than 5) of the actual best 4 members of the team. Teams with lower total points will be seeded in higher positions.

7.3.7 The total points of the competitors, as mentioned in 7.3.2, will be based on the ranking available at 21.00 on April 27 regardless of protests or requests for redress not yet decided.

7.3.8 The required red protest flag shall be attached to the competitor, clothing or PFD and shall be capable of being concealed and being displayed at arm’s length. To indicate a protest, the flag shall be deployed from a concealed position to a position where it is easily visible to the protested boat and Umpires.
